Question Prompt

?Write a speech to your school assembly about the importance of protecting the environment.?

Sample Answer

Ladies and gentlemen, teachers and fellow students,

Today, I stand before you to talk about a cause that affects us all ? the urgent need to protect our environment. Our planet, our home, is facing unprecedented challenges such as pollution, deforestation, and climate change. If we do not act now, future generations will inherit a world that is less hospitable and more dangerous.

Firstly, pollution from factories, vehicles, and improper waste disposal is damaging the air, water, and soil. This not only harms wildlife but also threatens our health. For example, increased respiratory problems are linked to air pollution in urban areas. We, as students, can contribute by reducing waste, recycling, and using eco-friendly transportation like bicycles or walking.

Secondly, deforestation destroys habitats and reduces biodiversity. Forests are essential for maintaining the balance of our ecosystem and combating climate change. Participating in tree-planting drives and supporting conservation efforts can make a difference.

Lastly, climate change is perhaps the most alarming issue, causing rising sea levels and extreme weather patterns. It is crucial that we reduce our carbon footprint by conserving energy and advocating for renewable sources.

In conclusion, protecting the environment requires collective effort. As young individuals, we have the power to influence our community and inspire change. Let us take responsibility today for a cleaner, greener tomorrow.
