- Karen: A widely recognized pejorative stereotype depicting an entitled, often middle-aged woman who demands special treatment or exhibits dismissive behavior toward service workers or individuals in subordinate positions.

When combined, "temporary arrangement Karen" refers to a specific archetype or behavior pattern observed within short-term interactions where an individual typically a woman exhibits entitled or disruptive conduct, often justified by the temporary or contractual nature of the relationship involved.

Origins and Evolution of the Phenomenon

The Rise of "Karen" as a Cultural Term

The term "Karen" gained popularity in the late 2010s and early 2020s as a meme and social

Promoting respectful communication, setting clear boundaries, and fostering a culture of civility can help mitigate conflicts and promote healthier interactions in transient contexts.
